4. Course general Description					

> **1. Course Description**
>
> This course provides a solid foundation in grammar, vocabulary, and the four skills (reading, listening, speaking and writing). **Cutting Edge Starter** is for complete beginners or those who need to brush up on the basics before moving on the **Elementary Level**. The focus on high-frequency useful vocabulary helps students say what they want to say. The regular, well-structured speaking tasks encourage students to express themselves more extensively and fluently. With a task-based learning approach, the main objective is for students to use the language that they know in order to achieve a particular communication goal.
